PRESIDENT'S PODIUM

Wow! Did you see last month's Calendar?

KCIFMA was involved in AT LEAST seven activities related to Green Month. While this month's calendar is not quite as active (okay, with six events, we're really close), the Chapter is providing a lot of educational opportunities and networking events for the members. I hope there is enough diversity in these activities that you find SOMETHING that really grabs your attention and makes you WANT to give up your precious time to participate. You won't be sorry!

Coming in June is the Golf Outing. This is another great opportunity for you to not only have fun, but to participate in fundraising for the KCIFMA scholarships which are awarded to deserving students whose career plans include designing or working with facilities. The Golf Committee, working within Special Events, works all the logistics for the outing, and the Scholarship Chair, Peter Weiczowski, along with his committee members, review applications, and make recommendations as to which students should be selected. In the coming years, they are also planning to include scholarships for continuing education in the FM field to professional members. So get registered, go out and hit that ball! And if you're not a serious duffer, seriously consider joining the ranks of the Pro Drinkers, Amateur Golfers, who REALLY know how to have fun.

KCIFMA Board of Directors elections are also just around the corner. Following the elections will be the installation meeting, also in June. This year we're planning for an after-hours event. I hope you can make that one too!

As always, check the website for information and links to events, and remember to register in advance. And where possible, paying online is easy, quick, and makes check-in a breeze.

Thanks for being a part of KCIFMA.

MAY PROGRAM MEETING

May 20, 2008, 3:30—5:00,

Nelson Atkins Bloch Building
4525 Oak St.
Kansas City, MO

Tour the recently completed addition to the Nelson Atkins Art Museum.

On June 9, 2007, the Nelson-Atkins unveiled a boldly transformed campus, marking a new era of distinction as one of the nation's premier art museums. More than just a building, the new Nelson-Atkins is a world-class destination. It is a source of inspiration, creativity and enjoyment. Simply put it is a place for community.

EXPO

The Commercial Real Estate Expo
returns to Union Station!

May 8th, 2007 - 2:00pm-7:00pm

The Kansas City Chapters of BOMA, IFMA, IREM, and the US Green Building Council invite you to participate!

This is the area's premier annual exhibition that helps you build long-lasting relationships with the most powerful decision-makers in Kansas City's Commercial Real Estate market. Drink tickets and refreshments are provided for attendees.

Last year we had 111 booths and over 350 attendees. *This year will be even better!*

This Year's Theme: Casino Night!
