Please note: If you wish to receive your Newsletter via email only, and not also via US Mail, please contact info@kcfma.com

Be sure to thank the IFMA members associated with these companies when you see them, and give them an opportunity to earn your business.

August Program Meeting:

We had a GREAT tour of the Federal Reserve Bank for the August meeting. Besides seeing and hearing about the space and the unsurpassed views, there were enough tidbits of historical information to make people that love trivia really happy. And the appetizers, which were catered by the Bank's own food vendor, were the best.

drum roll please

And then, to top it all off, I just learned that Mike Horan, CFM, Federal Reserve Bank of Kansas City has been selected as the winner of the 2008 FM Achievement Award!!! Congratulations, Mike! You are an IFMA star. I hope lots of KCIFMA members will join us for the Awards of Excellence presentations at World Workplace in Dallas in October to cheer Mike on when he receives his award.

Thank you for being a part of KCIFMA,
Betty Klein, CFM, CFMJ
Chapter President of KCIFMA

Built Environments Collaborative

KCIFMA is entering into an exciting new collaboration with four other Kansas City area facilities related organizations: BOMA, DBIA, IIDA, and USGBC. Together, these organizations are working toward collaborating on meetings and programs that may be of interest to all and creating a common calendar that members of the organizations can access. The name of the new group is Built Environments Collaborative, or BEC.

KCIFMA is represented at the BEC by Cori Izsak Gale, Affiliate Organization Liaison, as well as our Program Co-Chairs, Alan Bram and Jackie Johnson, our Membership and Webpage Chair, Brittany Gamble, and our Education Chair, Chris Gardner.

The BEC is still in its formative stage, but we will keep you informed as it develops.
